Scott has represented me on two occasions and has done an awesome job each time. He is very helpful and always makes sure I am taken care of. His staff are always very kind and take the time to make sure I am informed and taken care of as well. I will refer close friends and family to him if they ever need his assistance.

COMMENTS

Bob, Peter and his staff were very helpful and professional while I was receiving treatment for my injuries. There was never a moment I questioned any one of the staffs abilities. Peter took care of my case for a good portion of the time and he always answered questions and did his best to alleviate any concerns I had. My case was active & open for almost 3 yrs and every step of the way everyone assisted w/making me feel as comfortable as possible!

- Thank you! Every single one of the staff are truly awesome about their job and it shows.
